One of the most powerful traditional priests in Ghana today, Nana Kwaku Bonsam is rumored to be in the United States of America. For what

reason, as at the time of going to Press, we had not gotten enough information, as our media division was sourcing for the right authentic information at the purported base of Nana Kwaku Bonsam in a borough in New York. So all that we will do now is ask questions:

Why is he in America?

Who invited him?

Is he going to seek POLITICAL or spiritual asylum?

Where is he staying?

Is this his first time in America?

Is this his first time travelling outside Ghana?

Did Nana travel with his gods (deities)?

Are Akomfo not barred spiritually to travel abroad or in this case by air or across the sea?

Is Nana Kwaku Bonsam chasing some Ghanaian Pastor who sought his Gods service and has run away?

Is he visiting some Ghanaian pastors who partner him secretly for their church services?

Is he there on business?

Is Nana going to establish a Cultural and Healing Center in America?

Is Nana working on possibly meeting his mentor the US President Obama?

Is Nana going to give lectures in some Colleges and schools in the US?

Will Nana return to Ghana?

What happened to his remoured political ambition as an aspiring MP?

Is Nana contracting a media organization to write a book about his trip to the US?

Dear readers, we are working on getting enough answers to the above questions which we hope will interests every Ghanaian.

As a powerful traditional priest, Nana Kwaku Bonsam has affected Ghana's history especially in alternative healing and spirituality as did Nana Okomfo Anokye of Asante Kingdom, Nana Okomfohemaa Akua Oparebeah, of Akonnedi-Larteh Nana Drobo of Kweku Firi fame, Okomfo Abass of Black and White and many other important traditional priests. These revered spiritualists were leading men or women of the 4th dimension whose services and commitment to humane service, healing, spiritual and physical assistance are always discussed with respect, fear and in some cases doubts and opposition from other religious groups. With so much prominence and presence in the local Ghanaian media over pronouncements over controversial issues, influence in politics, wrestling of powers from so called men of God (christian ministers who sought his deities assistance and defaulted in giving thanks), as well as his benevolence in many parts of Ghana especially in Akomadan, his home town where he has built a public school from basic to Junior High School level and other places, Nana Kwaku Bonsam attracts the attention wherever he goes.

As an Okomfo, he is a spiritualist and herbalist, a discipline which the UN recognizes. The role of traditional healing in complimenting that of modern medicine is supported by the UN which makes Nana Kwaku Bonsam and other trained Akomfo and spiritual workers as important as today's orthodox medicine health officials. It is very important therefore for the Ghanaians reader to know whether Nana Kwaku Bonsam is in America to meet officials of the United Nations as is being rumored or is there on vacation or a combination of many quality reasons.

Stay tuned as we do the research and bring you updates on his trip to the US.
